9<sup>th</sup> April 2019

Dear Pharmacy,

Please find attached a contract variation/extension that will extend the previous service level agreement for Supervised Consumption until the end of September 2019. During this time we intend to review the model of supervised consumption provision in consultation with yourselves.

If you wish to sign up to the service please could you sign and return the attached extension/variation and return to me by email at [Stephen.lonergan@cgl.org.uk](mailto:Stephen.lonergan@cgl.org.uk) by no later than 19<sup>th</sup> April 2019. If you don't wish to continue providing the service please could you advise so I can make a note and don't continue to chase you for the outstanding documents. If you don't have access to a scanner please could you return marked for my attention to CGL Inspire, St Wilfrid's Building, Fox Street, Preston, Lancashire, PR1 2AB.

If you have still to return your signed SLA from 2018/19 please can you also ensure this is sent along with the variation/extension document to prevent any delays in payment.

Yours faithfully
